Personal profile

My name is Flemming Bjørn Jessen and I am a Graphic and Digital Designer. Currently, I am attending the Master's degree program in Digital Design at Aarhus University and expect to graduate in approximately two years. In addition to my Bachelor's degree in Digital Design, I have graduated from the Nordic Multimedia Academy as a Multimedia Designer.

I am very dedicated to my work whether it is studying or designing. My aim is to deliver products of high value and quality and to keep improving my skills. My main areas of expertise are idea and concept creation, web design, visual identity, illustration and artwork.

I have a lot of experience with Corel Suite and Adobe Creative Suite. Besides web production and branding, I have experience with music, video productions and photography.

Theoretical experience: During my time at the university, my focus has been on collaborative design processes and the theory behind scandinavian design. I have also worked thoroughly with design and innovative processes, interaction design, digital aesthetics, experience design and the culture around digital design.

Other activities

Webmaster (2005 - 2006): Creator of the Herning Hurricanes' logo and appearance for the 05/06 season. Webmaster and PR responsible for the Herning Hurricanes Basketball.

Volunteer (2003): Volunteering as Concept Designer of the GHE2 Web Cafe Project, to get youngsters in Vamdrup off the streets. The job involved design of the cafe's visual identity (design of logos and other materials) and decoration of the cafe interior (graffiti on all the walls and tables).

Freelancer (2004 - now): Since I first began using the computer for creative purposes, I have had a number of small jobs and projects mostly for fun and learning. Recently, I have taken on more jobs and it has given me the opportunity to work as an independant freelance designer.
